
INTERNATIONAL FREIGHT FORWARDING

SHIPPING BEYOND COMMON VISION

OUR MISSION

In a moment of economical struggles as the one we're living in, our project is to analyze customer's requests and study tailored services based on every and specific exigence with dedicated staff and competitive prices.

- Worldwide coverage
- Professional staff
- Tailored solutions
- Flexible services

Our group evaluate the professionalism and the financial reliability of all our partner thanks to the use of our financial platform CRIF. We're able to monitor and periodically analyze all the companies we're daily working with. This is our added value to our customers.

With Tieffe Group you won't risk to incurr in misleading behaviors from unfair suppliers or matter that may lead to any problem with the handling of your cargo.

QUALITY AND PASSION

RELIABILITY

TIEFFE GROUP SRL HOLDS CRIBIS D&B RATING 1 WHICH IS AN HIGH VALUE RECOGNITION

CRIBIS
Prime Company

Every year this is given to only the 3% of over 5 millions italian companies.

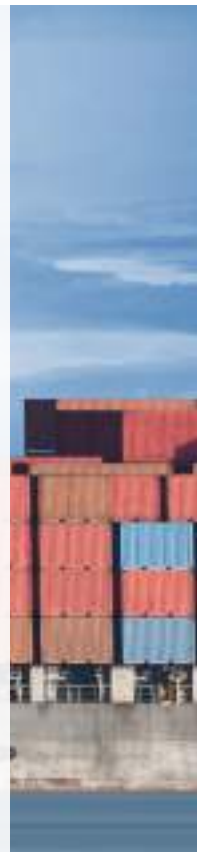

“CRIBIS D&B Rating 1” certification is the top level evaluation for financial and commercial reliability for a group and is released exclusively to companies keeping an high level of credibility in both financial and economics aspect,s and are respecting their dues with suppliers.

This important recognition, which is held from Tieffe Group Srl for the 5th year in a row, is the confirmation of the economic and financial solidity of a company and a guarantee for all the companies that choose Tieffe Group srl as strategic and commercial partner.

Lorenzo Faoro - CEO of Tieffe Group Srl - is in charge since March 2019 of the Tax Advisory Body Council of Fedespedi and part of young Fedespedi; the most important freight forwarder association in Italy and Italian HQ for FIATA (Worldwide Freight Forwarding organization).

The constant update that such a role requires, lead us into a privileged position when it comes to deal with new regulations and rules, such as fiscal and customs new rules. We can then offer the most updated assistance to our customers

Tieffe Group Srl is an International Freight Forwarder certified ISO 9001.

All our documents are stored and safely secured as per latest privacy European laws enforcement.

THE IMPORTANCE OF CHOSING A CERTIFIED FREIGHT FORWARDER

It is not easy nowadays to get through meetings, deadlines, commitments. The working day of all of us is full, and the time is very little compared to it, therefore the risk to rely on unprofessional partners is always present.

Quality is what has always been a pillar for Tieffe Group.

We are certified freight forwarders, FIATA associated for maritime transportation and IATA for air transportation. That commits us for attending to yearly preparing courses, seminars, webinars in English language for all our staff. Our professional LLEO insurance grant the top level of safety in case of errors and omissions.

Why keep risking?

Go for safety and guarantee of quality, go for Tieffe Group Srl.
